**Read the following text and do the exercises.**

*Betty and Mark live in a small quiet town in the UK. Betty worked in a library but now she is a housewife. Her husband, Mark, is a university teacher. They got married twenty years ago and have three children. Their daughter is a secondary school teacher. She's married and Mark and Betty's first grandson, Josh, was born four months ago.*

*Their sons aren't married. They are still at university. The oldest, Henry, wants to be an engineer and his brother Robert is studying biology. Their house isn't very big but it's got two gardens. Betty grows only flowers in the small front garden and has flowers and vegetables in the large back garden. She loves gardening and spends a lot of time outside when the weather is fine. Mark likes gardening but in spring and summer he prefers to go to the river to fish in his small boat. Betty doesn't like fishing and when she goes in the boat with Mark, she always takes a good book to read.*

*Betty and Mark have another hobby. They love dancing, but not modern dancing. They dance old British folk dances. Betty and Mark enjoy Tuesday and Thursday evenings when they go to practise. They dance at festivals all over the UK and sometimes in other countries too. At the moment they are practising hard because next spring they are going to perform in Madrid!*
